Only evidenced invoice tax is excluded; unknown tax retains the full cash amount.					

DESCRIPTION	2026-07	2026-08	2026-09	SELECTED MONTHS TOTAL	% OF COLLECTED SALES
Opening and closing balances are monthly snapshots; their total is intentionally blank.					
QA allocation: partial payments distributed proportionally across invoice lines.					
Sales percentage uses positive collections traced to customer invoices or sales receipts. Loans, capital, supplier refunds, unclassified receipts and untraced POS are excluded. Customer refunds remain outgoing and are not deducted from this denominator.					
Unreconciled cash counterpart.
